

Technical drawing of a mechanical assembly, likely a bracket or support structure, showing dimensions in millimeters (mm). The drawing includes a top view and a side view.

Top View Dimensions:

- Overall width: 180 mm
- Distance from left edge to center of left hole: 82,5 mm
- Distance between centers of holes: 15 mm
- Distance from center of right hole to right edge: 82,5 mm
- Distance from left edge to center of left hole (including hole diameter): 7,5 mm
- Distance between hole centers (including hole diameter): 110 mm
- Distance from center of right hole to right edge (including hole diameter): 7,5 mm
- Distance from left edge to center of left hole (including hole diameter and hole depth): 27,5 mm
- Distance from center of right hole to right edge (including hole diameter and hole depth): 27,5 mm

Side View Dimensions:

- Overall height: 18 mm
- Distance from left edge to center of left hole: 70 mm
- Distance between hole centers: 40 mm
- Distance from center of right hole to right edge: 70 mm
- Distance from left edge to center of left hole (including hole diameter): 50 mm
- Distance from center of right hole to right edge (including hole diameter): 50 mm
- Distance from left edge to center of left hole (including hole diameter and hole depth): 27,5 mm
- Distance from center of right hole to right edge (including hole diameter and hole depth): 27,5 mm
